Giving the names of the Hotels using the Patent Advertising Register Books obtained from the several owners of the Patents for the respective States mentioned, also the Hotel Rates per day, and the Estimated Population of the Cities and Towns where the Hotels are Located.

Hereafter we will bind in the back of these Register Books, the "AMERICAN HOTEL GUIDE," giving the "names, the town or city where located, and rate per day" of hotels obtaining their Registers from the undersigned, thus giving, FREE to all our hotel customers (as per these pages), an advertisement that they could not otherwise get for \$200.00, each year, in over 3,000 hotels throughout the United States, the Territories and Canada.
